## CERTIFICATE III IN CARPENTRY

### About this Course:

This course is designed for people pursuing a career in carpentry across residential and commercial construction. You'll build the practical skills and underpinning knowledge to work safely, interpret plans, measure and set out accurately, select and use tools and materials, and construct, install and repair building components made from timber and other materials. Our carpentry training is hands-on and skills-focused, ensuring students develop confidence using industry-standard tools, equipment and techniques. Throughout the course, we place strong emphasis on workplace health and safety, correct tool use, and the ability to read and interpret plans, drawings and specifications. This approach supports students to build practical capability while developing the foundational knowledge expected of entry-level carpenters working under appropriate supervision. On successful completion, our graduates are equipped with job-ready skills that support employment opportunities across housing, commercial construction, renovation and maintenance sectors.

### Career Outcomes

### What You'll Learn

- Work Health and Safety (WHS) in Construction
- Use of Carpentry Tools and Equipment
- Reading and Interpreting Plans and Specifications
- Measuring, Setting Out and Levelling
- Calculations for Carpentry (incl. square root)
- Timber and Building Materials Selection
- Cutting, Shaping and Joining Techniques
- Frame and Structural Construction
- Fixing, Fastening and Installation Methods
- Quality Checks, Finishing and Repairs
- Workplace Communication and Teamwork
- Site Documentation and Job Planning

- APPRENTICE CARPENTER
- CARPENTER (RESIDENTIAL CONSTRUCTION)
- CARPENTER (COMMERCIAL CONSTRUCTION)
- CONSTRUCTION TRADES ASSISTANT
- FORMWORK CARPENTER (ENTRY-LEVEL)
- FIXING CARPENTER
- SITE HAND / CONSTRUCTION LABOURER (CARPENTRY-FOCUSED)
- SELF-EMPLOYED CARPENTER (POST-TRADE, WITH EXPERIENCE)

Emily  
 “The cultural experiences, especially exploring Brisbane and the Gold Coast, were amazing! The tour concierge made the entire experience smooth and enjoyable.”

Michael  
 “The tour was well organized and provided great opportunities for both personal and academic growth. The hands-on learning made all the difference!”

Tuesday, 03rd

## TUITION FEES (DOMESTIC FEE FOR SERVICE)

Course Name	Course Duration	Domestic Fee for Service	Campus Availability	Intakes
Certificate III in Carpentry	52 weeks	\$13,000	BNECTR2	Quarterly

## ENTRY REQUIREMENTS

AGE	GRADE	IELTS
<b>18</b>	<b>11</b>	<b>5.0</b>

## ■ AGE

Minimum age of 18 years or turning 18 years old prior to commencement of the course

## ■ EDUCATION & EXPERIENCE REQUIREMENTS

Year 11 Australian Senior High School Certificate, or equivalent (e.g. completion of Year 12 or High School in the students home country) with full academic results.

## ■ ENGLISH LANGUAGE

Upper-Intermediate English (equivalent to 5.0 academic or general IELTS) and successful completion of college LLN Test

## ■ REQUIRED IDENTIFICATION

Photo ID and evidence of citizenship (international students must provide copy of passport)

## ■ COMPUTER SKILLS & EQUIPMENT

Students on this course require computer access for learning purposes and to complete course assessments. As such, learners must have beginner/intermediate computing skills including use of Microsoft Office programmes, in addition to hardware requirements of a desktop or portable computer with keyboard, pointing device, speaker, web camera and microphone, and a broadband internet connection.

## ■ ADDITIONAL REQUIREMENTS

Students must be physically fit to participate in practical workshops and assessments (Practical Assessment), including lifting and carrying heavy objects, as required in the construction industry, while adhering to safe work practices. Completed CPCWHS1001 Prepare to Work Safely in the Construction Industry or its successor and possess a valid White Card prior to commencement of the course. Prior to commencement of the practical workshops, work placement and assessments (Practical Assessment), students must have the following: Personal Protective Equipment (PPE) items including a high visibility vest (a high visibility shirt/jumper is acceptable), hard hat, gloves, earplugs, protective glasses, safety work boots (steel cap), safety glasses (non-tinted), long pants, a long-sleeved shirt (for WHS reasons please do not wear excessively loose clothing), sun protection as required, and two tops and two shirts; and carpentry tools/items including a steel hammer, square, chisel, 10M tape measure, retractable blade trimming knife, pencil hard, safety work boot, 8m tape, carpenter's pencils, soft eraser, biro pens, A4 notebook, and a calculator (square root function required).

## ■ FURTHER INFORMATION

Students who are unable to meet the academic or English language criteria may in some cases be eligible to undertake our Language, Literacy & Numeracy (LLN) test. Criteria may change at any time without notice. Additional English language requirements may apply to international applicants from non-English speaking backgrounds wishing to articulate on a visa package into a university programme. Students must be able to (and are required to) enrol, participate, demonstrate progression-of, and complete this course.

## BRISBANE CENTRE CAMPUS (316 ADELAIDE ST) COURSE TRAINERS

**Alessandro Tavian**

Alessandro is the Educare Construction Course Trainer and Team Leader. He brings many years of experience in construction, course management, and leading training teams. He previously served as the Trainer Team Leader at Everthought College of Construction and has extensive experience delivering TAFE TAE Training and Assessment programs, as well as in curriculum development.

## BRISBANE CENTRE CAMPUS (316 ADELAIDE ST) & FACILITIES

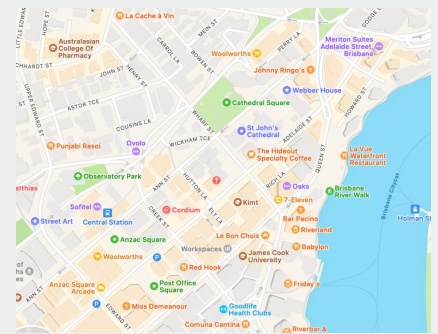

### YOUR CAMPUS

EduCare's main campus, known as "Brisbane Centre 2," is strategically situated on level 3 at 316 Adelaide Street, right in the heart of Brisbane's bustling central business district. This premier location offers students unparalleled access to a vibrant urban environment, fostering both academic and professional growth. The campus itself is a testament to EduCare's commitment to providing a superior educational experience, blending modern design with state-of-the-art learning facilities.

Upon entering Brisbane Centre 2, students are greeted by a welcoming and supportive environment. The campus is equipped with spacious classrooms that are designed to encourage interactive learning and collaboration. Each classroom is outfitted with the latest educational technology, including digital whiteboards and high-speed internet, ensuring that teaching and learning are both dynamic and engaging.

A key feature of the campus is its comprehensive multimedia resource library, which provides students with a wealth of learning materials at their fingertips. From academic journals and e-books to interactive software and video content, the library is equipped to support a wide range of learning styles and research needs.

In addition to academic resources, Brisbane Centre 2 offers a variety of student services aimed at enhancing the overall educational journey. These include dedicated study areas, computer labs with specialized software, and comfortable lounge spaces for relaxation and networking. The campus also hosts regular workshops and seminars, led by industry professionals and academic experts, to supplement classroom learning and provide valuable insights into the community services sector.
