CERTIFICATE III IN INDIVIDUAL SUPPORT (AGEING AND DISABILITY) FLEXI

About this Course:

This is a comprehensive program designed to equip individuals with the essential skills and knowledge required to provide high-quality person-centered care and support to individuals who may require support due to ageing, disability or some other reason. Part 1 eLearning Theory Module delivers Educare's highly regarded care theory training as a fully self-directed online course, allowing you to flexibly complete all the unit theory via self-study from the comfort of your own home. Learners outside Australia are welcome to apply. Part 2 - Australian Industry Placement requires that you have completed your eLearning theory course and are in, or able to visit Australia, where we will place you in an aged care facility to gain your practical skills.
