Graphics Card (GPU): 8 GB dedicated GPU

Operating System: Windows 11 (64-bit) with latest updates

Internet: Reliable high-speed internet connection

Software Requirements:

Microsoft Office 365: Word, Excel and PowerPoint

Specific Software Requirements:

GIS Software (QGIS)

MATLAB

File management system - Google Drive

BIM Software: Autodesk Revit 2023 and Navisworks

Other requirements:

Scientific calculator

Compass, clinometer and tape

Personal Protective Equipment: high visibility vests, hard hats, gloves, boots

BRISBANE CENTRE CAMPUS (316 ADELAIDE ST) COURSE TRAINERS

BRISBANE CENTRE CAMPUS (316 ADELAIDE ST) & FACILITIES

YOUR CAMPUS

EduCare's main campus, known as "Brisbane Centre 2," is strategically situated on level 3 at 316 Adelaide Street, right in the heart of Brisbane's bustling central business district. This premier location offers students unparalleled access to a vibrant urban environment, fostering both academic and professional

growth. The campus itself is a testament to EduCare's commitment to providing a superior educational experience, blending modern design with state-of-the-art learning facilities.

Upon entering Brisbane Centre 2, students are greeted by a welcoming and supportive environment. The campus is equipped with spacious classrooms that are designed to encourage interactive learning and collaboration. Each classroom is outfitted with the latest educational technology, including digital whiteboards and high-speed internet, ensuring that teaching and learning are both dynamic and engaging.

A key feature of the campus is its comprehensive multimedia resource library, which provides students with a wealth of learning materials at their fingertips. From academic journals and e-books to interactive software and video content, the library is equipped to support a wide range of learning styles and research needs.

In addition to academic resources, Brisbane Centre 2 offers a variety of student services aimed at enhancing the overall educational journey. These include dedicated study areas, computer labs with specialized software, and comfortable lounge spaces for relaxation and networking. The campus also hosts regular workshops and seminars, led by industry professionals and academic experts, to supplement classroom learning and provide valuable insights into the community services sector.
