USER CHOICE

The User Choice 2017-20 program provides a public funding contribution towards the cost of training and assessment for eligible Queensland apprentices and trainees.

The program provides the flexibility for apprentices, trainees and their employers to select a preferred registered training organisation (RTO) from a list of pre-qualified suppliers (PQS) for the delivery of accredited training to meet their specific needs.

Cost: Eligible apprentices and trainees that meet the Queensland state funding requirements will be charged a set fee per nominal hour. These fees are calculated at a regulated rate of \$1.60 per nominal hour. Concession rates apply for students who hold a current Health Care Card or who identify as Aboriginal or Torres Strait Islander.

It also supports school students to access training and Queensland's Year 12 graduates to transition to employment by providing free training in high priority qualifications.
